

2010 Adult Weeknight League General Information

Registration for the USTA Adult Weekend League and Adult Weeknight League is now open. **The deadline to register is March 1, 2010.** To register a team, visit our website www.richmondtennisleagues.com, click on the Adult Weekend or Weeknight League page and complete the online registration form. The form will generate an email to the league coordinators. A list of registered teams will be kept on the website until the March 1st deadline. The list will be updated every few days.

Please read the following before you register a team:

- **Please do not register a team unless you are sure you have enough players!** We consider your registration to be a firm commitment to bring a team to the league, and we do our scheduling based on these firm commitments. If you are hopeful that you will have a team or you think you will probably have a team, don't register until you are sure.
- Teams will not be registered without a completed registration form. In other words, an email stating, "Our club plans to have 3 men's 3.5 teams" is not sufficient.
- If you want to be team captain, you must have access to email. Email is our main form of communication with captains, and the way captains communicate with each other.
- Team captains are responsible for forwarding all information to their co-captains.
- Adult Division teams must have a minimum of 8 players but it is a good idea to have at least 10. The Virginia District limits team rosters to 22 players.
- Players may play on more than one Adult Division team but must follow Mid Atlantic Rule 12. (The 2 Player Rule.) The Adult Weekend League, Adult Weeknight League, and Women's Weekday League are all separate Adult Division leagues. A detailed explanation of MAS Rule 12 can be found on our website on the Rules page.
- Captains will be given a *TennisLink* Team Number, which will be used for registering players on their roster in *TennisLink*. Team Numbers will be distributed by March 15, 2010. Levels with one flight may receive Team Numbers earlier than March 15th.
- **Important notes for Weeknight League:**
 - **The existing 3.5 and 4.0 men's weeknight levels will continue to play on Tuesday and Thursday evenings.**
 - **Weeknight League is open to all other men's levels and women's levels 2.5 – 5.0.**
 - **A minimum of 2 teams is required for each level.**
 - **Most tennis clubs & facilities have very limited court space available for leagues on weeknights. If you plan to have a weeknight team, you must check with your club/facility and receive approval for a weeknight team.**
 - **Weeknight league matches may start as early as 6pm or as late as 9pm Monday – Friday.**
 - **Each level will be assigned a match night (Monday – Fridays) once registration is complete.**

After you register a team, visit the Captain's Information Page on the website and review all information. Important league dates are listed below.

- Schedules will be posted on the league website in late March. The number of matches for each level will be determined after March 1st when all teams have registered.
- The Weeknight League season will start the week the first week of April for larger levels. Smaller levels with fewer matches will start later in April.
- The Adult District Tournament will be held the weekends of July 9-11 (3.0, 4.0 & 5.0) and July 16-18, 2010 (2.5, 3.5, & 4.5).
